

## **WHEN THE MUSIC FADES: THE HEART OF WORSHIP**

SUNDAY, JULY 26, 2020

### **NOTES:**

#### **SERMON QUESTIONS TO CONSIDER:**

1. In all honesty, when you worship God in a church setting, is your attitude, “What can I get out of this?” or “What can I give God?”
2. Pagan worship is centered on our feelings and Christian worship is centered on our faith. Can you explain the difference?
3. Read Matthew 27:45-54. What physical and spiritual manifestations resulted from Jesus’ death and resurrection? What does this say about what happens when we worship?
4. Ok... drill down into the meaning of the “curtain being torn from top to bottom” when Jesus died on the cross (Matthew 27:51). Dang, you all... this is huge. Google Blue Letter Bible Commentaries and read David Guzik’s commentary on Matthew 27:45-54. How much of ourselves should we give God in our worship? What holds us back from giving God our whole hearts?
